

**Earthship  
Australia**

**Australia's first tropical Earthship build – 19<sup>th</sup> July to 1<sup>st</sup> August**

## The Venue

Set on 60 acres of bush land near the quaint rainforest village of Rossville in Far North QLD, Ghost Gum Farm started as an unimproved bush block only 18 months ago. Our young family moved here to live a lifestyle in keeping with our principles. We are creating Ghost Gum Farm as a teaching and learning centre for Permaculture, alternative building and alternative technologies. Listen to the dingoes howl in the evening and the wild bulls call. This is a true outback camping experience.

## Costs

The course fee of \$1,000 includes handouts, all meals and camping. There are no other expenses. Course fee includes membership to Earthship Australia. Childcare during the course is free. Packages through Sustainability Alliance FNQ, social benefit discounts, LETS community currency part payments, work in exchange, and pension card holder rates are possible. Limited places available. Early bird discount until March 1 - \$900. Earthship Australia members \$900. Places are limited so contact us and register now!

## Camping

You will be required to bring a tent, bedding, personal items, toiletries, any specific dietary requirements, and pen/paper. Mobile phone/broadband reception is available after a 10 minute walk. Hot showers and composting toilets are available. Swim in the lake to cool off after a hard days work. Ghost Gum Farm is 1½ hours from the closest shops so please ensure you have everything you need for your stay.

## Ghost Gum Farm

### Living simply, simply living

Come and explore living a simple life. A life connected to the land.. connected to those we love.. connected to our community..

A handmade life.. A deliberate life.. A life creating a different future.. for us.. for our children.. for our children,,s children.. for the planet..

### Namaste

**Earthship  
Australia**

## Join the Earthship Crew in their first Tropical Earthship Build

Earthship Australia are a team of facilitators who have built many Earthships between them. Your instructors will guide you through all the aspects of Earthship building, answer any questions you have on the process and make sure you have a fun time learning to build self sufficient, low impact housing designed especially for a tropical climate. Hope to see you there!

## Tropical Earthship Build 19 July – 1<sup>st</sup> August 2014 Ghost Gum Farm Rossville

Be a part of a hands-on community building workshop creating Australia's first tropical mini-ship (10 square metres) at Rossville in Far North Queensland.

This workshop will teach you practical skills in natural building from start to finish, including tyre pounding, bottle and can walls and natural plastering.

No experience necessary  
THIS IS A CHILD FRIENDLY EVENT

**\$1,000 for 2 weeks  
includes all meals and  
camping**
