Permaculture Cairns Inc. AGM

**Venue: Artists at Work Gallery, 29 Sheridan Street (opposite Rusty Market)
Cairns**

This year will be busy and interesting.

We will be experiencing Justin and Mel develop their land into a tropical fruit and edible food farm.

For those that don't have acreage, my garden has lots of permaculture practices in action. I grow food as a groundcover, in raised beds, wicking beds, veggies, herbs & flowers in containers, fruit trees, native bees, worm farm, compost bins and a chook house without chooks.

Bring along your ideas, your skills, your knowledge as we are going to need your help to make all this happen. We will ask you what you would dearly love to learn. So be prepared.

Memberships now due, \$20 singles and \$30 families, these have not changed since 2007.

To vote or to hold a position on the committee you need to be a Financial Member. You can join and pay online on our website.
